Yoriko-senpai, come in.

To speed your recovery along, I bought some necessary things.

...That's a lot of leeks...

But you need not worry any longer, because I'm here now.
Thanks for coming, Senpai....
It's fine It's only natural

『Is that really okay?』
So you live here alone, right, Sayuri?
Yes, it's a little small though...
So I used my dad's name.
I see.
Ah, that's because a young girl living alone is dangerous.
At first I thought I had the wrong house, 'cause the nameplate only has a male name on it
The security does seem dismal here
MISERABLE...
That's true...
An old house
I could ask my parents to install an anti-burglar flamethrower here like at my house?
Th— the landlady would get angry at me if we did that!

『Seems less effective...』
Has your fever gone down a little?
No, not at all
Let me see...

Yoriko-senpai's home cooking..!
Thank you so much, Senpai.
Then I'll make you rice porridge.
It's no problem. It's why I'm here.
Rice porridge with a leek shoved in?
It's done. Sorry for the wait.
Waah!

Sayuri, is there a show you usually watch around this time?
I'll put it on for you.
『Okay, let's watch it』
Only some shows I like. I don't watch much TV.
Oh, but especially when you're down, you should watch TV to cheer up.
But... you're here for me, Senpai, and I just want to talk with you...
Sayuri.
—let's at least watch today's variety show together, okay?
Senpai... So there was a show you wanted to watch...

Let's do that
Let me change your clothes and towel you dry It'll be bad if you got cold
『It was effective immediately』
Sayuri, you're sweaty, right?
Yeah...
Where is your underwear?
Pick any Yeah, that one
The lower right drawer
I'm half naked but I feel warm... Is it my heart beating fast?
...Wawah, this is really embarrassing
Don't be reserved, it'll be hard to dry your back, right?
Um, I think I'll do it myself, after all...
How is it, Sayuri? Do you feel warmer?
It's like I'm getting dry skin brushed!

『...Yes, of course』
I'm worried about you, can I sleep over tonight?
Fwha—
B— but, I wouldn't want to risk you getting a cold too.
You don't need to worry about that, Sayuri
I— I couldn't ask that of you...
I already have my parents' permission, so you don't need to worry
haven't had a cold a single time in my life
...
You may not believe it, but actually I .
